Student Survey 2010-2011

Welcome to Mr. Lee’s 7th Grade Life Sciences class. I am very excited to teach this class and am looking forward to many engaging and challenging lessons as we work together towards mastering at least 80% of our class objectives and discovering what life is all about.

To help me be a more effective educator, I would like to know a little bit more about you, the students I will be working with. Please take the time now to answer the following questions; remember to be honest and open so that I can best tailor my classes to meet your learning styles.

☆ Exceed All Expectations! ☆

1. Personal Information
   What is your name? 
   Is there another name you'd like to be called by? 
   What period are you in?
